All the way to China

RENOLIT AG website in six languages

Worms, 13 October 2006-The website of Worms-based **RENOLIT AG** is a credit to the variety of languages needed on the World Wide Web. The content and graphics on the site were completely redesigned at the beginning of the year and are now available in six different languages, including Chinese, from October 2006.

Visitors to the site from throughout the world can now obtain a detailed overview of the company online at www.renolit.com. The regular updates to news and product platforms enable visitors to keep abreast of the latest developments.
