### Strategic alliance terminated

## RENOLIT and Henkel go separate ways in the future

Worms/Oudenaarde, 16 June 2009 – The strategic sales alliance between **RENOLIT** Belgium, a company of the **RENOLIT** group and Henkel **WOLFIN** Bautechnik will terminate on the 30 June 2009. Both companies announced that they will go their separate ways in the future.

The reason for the separation is the changing market conditions as well as increasing dissimilar strategic views. The end of the strategic agreement will affect the commercialisation of the **RENOLIT** products **ALKORPLAN** and **ALKORFLEX** for the German, Austrian and Swiss countries and the **WOLFIN** product in West European countries (BENELUX, France and UK).

The **RENOLIT** group is one of the largest European producers of synthetic single ply waterproofing membranes for roofing through its Business Unit **RENOLIT WATERPROOFING**. As of 1 July 2009, **RENOLIT** will be solely responsible to serve the German and the European market with a complete range of roofing products.

**RENOLIT**'s industrial, aesthetic and solar roofing solutions will be represented on the market by the brands **ALKORPLAN**, **ALKORTOP** and **ALKORSOLAR**.
